DISCLOSURE STATEMENT 2009 - 2010

Activity Title: MBSR for CF

6/10/2010 Date(s)

Faculty Name: Julie Desch (Please Print)

As a sponsor accredited by the Accreditation Council for Continuing Medical Education (ACCME), The University of Arizona College of Medicine Arizona Health Sciences Center must ensure balance, independence, objectivity and scientific rigor in all its sponsored educational activities. presenters must disclose to the activity audience any significant financial interest or other relationships that may affect the presentation.

The intent of this disclosure is not to prevent faculty with a significant financial or other relationship from presenting, but to provide listener information to form their own judgements. It is for the audience to decide if the speaker's interest or relationships may effect the presentation in rega exposition or conclusion.

Glossary of Terms

- Commercial Interest-The ACCME defines a "commercial interest" as any proprietary entity producing health care goods or services, with exemption of non-profit or government organizations and non-health care related companies.
Financial Relationships-Financial relationships are those relationships in which benefits by receiving a salary, royalty, intellectual property ri consulting fee, honoraria, ownership interest (e.g., stocks, stock options or other ownership interest, excluding diversified mutual funds), or financial benefit. Financial benefits are usually associated with roles such as employment, management position, independent contractor (inclu contracted research), consulting, speaking and teaching, membership on advisory committees or review panels, board membership, and activities from which remuneration is received, or expected. ACCME considers relationships of the person involved in the CME activity to inc financial relationships of a spouse or partner.
Relevant Financial Relationships-ACCME focuses on financial relationships with commercial interests in the 12-month period proceeding the that the individual is being asked to assume a role controlling content of the CME activity. ACCME has not set a minimal dollar amoun relationships to be significant. Inherent in any amount is the incentive to maintain or increase the value of the relationship. The ACCME de "relevant" financial relationships in any amount occurring within the past 12 months that create a conflict of interest.
Conflict of Interest-Circumstances create a conflict of interest when an individual has an opportunity to affect CME content about produc services of a commercial interest with which he/she has a financial relationship.
